CC Docket No. 93-162

CC Docket No. 91-141

PETITION FOR EXPEDITED WAIVER  
AND EMERGENCY REQUEST FOR EXTENSION OF TIME

Pacific Bell files this petition for expedited waiver and emergency request for extension of time concerning the Common Carrier Bureau's Memorandum Opinion and Order that was released on December 28, 1993 in the above-captioned proceeding (DA 93-1545) ("Order"). Specifically, we request a waiver of the ordering clause that requires Pacific Bell to file, no later than 10 days from the release date of the Order, a virtual collocation tariff for special access expanded interconnection.<sup>1</sup> That existing filing date would be January 7, 1994, which is next week, and thus we are seeking expedited treatment of our petition.

<sup>1</sup> Order, para. 14.

Pacific Bell requests an extension of the tariff filing date for virtual collocation until February 4, 1994.<sup>2</sup> There is good cause for this extension because employees who are needed to complete the preparation of the tariff filing are, or will be, on vacation during the next few weeks. In addition to completing the cost development for the tariff filing, these Pacific Bell employees must make revisions to the proposed tariff based on the current tariff status for expanded interconnection service (i.e., after the filing of the tariffs for switched transport expanded interconnection).

This brief extension will not harm any party or the public interest. Pacific Bell has not received any indication by anyone that they intend to order this service.

Therefore, Pacific Bell respectfully requests that the Commission grant this petition for waiver and request for

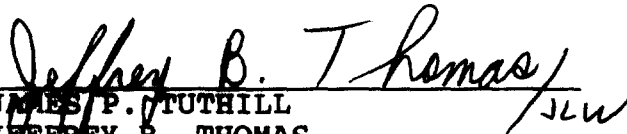

---

<sup>2</sup> Pacific Bell also will file Application For Special Permission No. 226, requesting permission to defer the tariff filing date until February 4, 1994.

extension of time and allow us to file the virtual collocation  
tariff on February 4, 1994.

Respectfully submitted,

PACIFIC BELL
